¹ Defendant timely appealed the Court's March 4, 2021 order on April 5, 2021, and the appeal has been designated Case Number 21-870. The Second Circuit abated that appeal and noted that the prior notice of appeal was premature because of the pending motion for reconsideration. 21-870, Doc. No. 49. Accordingly, Defendant files this Amended Notice of Appeal to encompass both the District Court's March 4 ruling and the June 2 ruling on the motions for reconsideration and dissolution.
